RE: MUR 5639
Monty Warner
Kris Warner
Northeast Conservative PAC and
Gianna Splitstoser, in her official
capacity as treasurer

Dear Mr. Bolen:

This is in reference to the complaint you filed with the Federal Election Commission on January 5, 2005, concerning Northeast Conservative PAC and Gianna Splitstoser, in her official capacity as treasurer ("the Committee"), Monty Warner, and Kris Warner. Based on that complaint and information provided by respondents, on July 11, 2006, the Commission found there is no reason to believe that Monty Warner or Kristian Warner violated the Federal Election Campaign Act of 1971, as amended ("the Act"). Accordingly, on July 11, 2006, the Commission closed the file in this matter.

On this date, the Commission also found there was reason to believe that Northeast Conservative PAC and Gianna Splitstoser, in her official capacity as treasurer, violated 2 U.S.C. §§ 434(a) and (b), provisions of the Act. After considering the circumstances of this matter, the Commission admonished the Committee for failure to report receipts and disbursements and failure to file required reports, and warned that any additional Federal activity will void its administrative termination. The Commission determined to take no further action as to Northeast Conservative PAC and Gianna Splitstoser, in her official capacity as treasurer, and closed the file in this matter.

Documents related to the case will be placed on the public record within 30 days. See Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files, 68 Fed. Reg. 70,426 (Dec. 18, 2003). A copy of the dispositive General Counsel's Report is enclosed for your information.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).
